ABOUT US

T30 Energies Limited is a forward-thinking Nigerian energy and engineering company committed to delivering innovative solutions that advance the nation's energy and infrastructure landscape. Rooted in a vision to promote sustainability, efficiency, and reliability, we leverage Nigeria's abundant resources and engineering expertise to provide value-driven services across multiple sectors.

Our CNG Solutions and Conversion Services are designed to support Nigeria's transition toward cleaner and more affordable energy. From the provision of advanced CNG toolkits to vehicle conversions, refilling infrastructure, heavy-duty applications, and capacity-building programs, we champion the domestication of natural gas as a viable energy alternative for households, businesses, and the transport sector.

In addition, T30 Energies offers Civil Engineering Services tailored to Nigeria's infrastructure development needs. We deliver durable, cost-effective, and sustainable construction solutions, ensuring compliance with local and international standards.

Through our Engineering Procurement capabilities, we provide clients with access to high-quality equipment, technology, and technical expertise, ensuring seamless project execution. Coupled with our Material Procurement Services, we guarantee efficient supply chain management and reliable delivery of construction and industrial materials that meet stringent quality benchmarks.

We further support large-scale operations with Project Management and Manpower Recruitment & Training services. Our approach combines global best practices with a deep understanding of local conditions to deliver projects on time, within scope, and with a skilled workforce. By investing in capacity building, we empower professionals across industries and contribute to national development.

At T30 Energies, we are not only delivering projects, we are building a future defined by innovation, sustainability, and growth. Our commitment to excellence and integrity positions us as a trusted partner in driving Nigeria's energy transition and infrastructure advancement.

OUR SERVICES

At T30 Energies, our services span the entire value chain, from ideation to execution. We combine innovation, technology, and industry expertise to deliver reliable, sustainable, and client-focused energy solutions tailored to your unique needs.

- CNG Solutions & Conversion Services
- Civil Engineering
- Engineering Procurement
- Material Procurement
- Project Management
- Manpower Recruitment & Training

CNG SOLUTIONS & CONVERSION SERVICES

T30 Energies Ltd delivers comprehensive Compressed Natural Gas (CNG) services, from toolkit installation and vehicle conversion to heavy-duty applications and reliable refill options. We also provide training and capacity building to ensure safe, efficient adoption, helping clients cut costs and drive a cleaner, more sustainable future.

CIVIL ENGINEERING

Our civil engineering expertise covers the design, development, and delivery of critical infrastructure projects. From road construction and rehabilitation to structural works and utility installations, we combine innovation, precision, and industry standards to create sustainable solutions that support economic growth and community development.

ENGINEERING PROCUREMENT

We provide end-to-end engineering procurement services, ensuring that clients have access to the right equipment, technology, and resources at every stage of their projects. Our approach emphasizes quality, efficiency, and cost-effectiveness while aligning with global best practices.

MATERIAL PROCUREMENT

From specialty chemicals and PPE (Personal Protective Equipment) to general supplies, we source and deliver a wide range of materials essential to the energy and engineering industries. With strong supplier networks and strict quality control, we guarantee timely delivery and reliable solutions that keep projects on track and teams protected.

PROJECT MANAGEMENT

We provide comprehensive project management services, ensuring every project is executed successfully. From planning and procurement to construction and execution, our team is committed to delivering projects on time, on budget, and to the highest quality standards.

MANPOWER RECRUITMENT & TRAINING

We bridge the gap between talent and opportunity by providing skilled manpower tailored to industry needs. Beyond recruitment, we offer training and capacity-building programs that empower teams, strengthen competencies, and ensure sustainable workforce development.

Executive Secretary

MANAGEMENT TEAM

LANRE OLUSEYE

MD/CEO

Lanre Oluseye is an accomplished architect, visionary leader, and conference speaker with a proven record of inspiring individuals and organizations to achieve excellence. He combines deep technical expertise with strong leadership acumen, positioning him as a respected voice in business, project management, and transformational leadership.

He holds an Executive MBA from the Metropolitan Business School, United Kingdom, equipping him with advanced business insights that complement his architectural background. He is also an alumnus of several prestigious institutions, including the University of Cape Town Graduate School of Business, the Dale Carnegie Institute, and the London School of Economics and Political Science, where he gained extensive exposure to global best practices in business, leadership, and the socio-economic landscape.

Lanre is a Certified International Project Manager (CIPM) and a Fellow of the American Academy of Project Managers (FAAPM), credentials that reflect his competence in managing complex projects across diverse industries. His dedication to continuous learning recently earned him recognition as a Certified Emotional Intelligence Specialist, a distinction that strengthens his ability to foster collaboration, enhance team performance, and drive organizational growth.

Beyond his professional qualifications, Lanre is widely regarded as a polymath and an advocate of transformational leadership as a pathway to addressing Africa's unique socio-economic challenges. He serves on the boards of several NGOs and companies, where his strategic input continues to shape progressive policies and impactful initiatives.

Through his multifaceted career, Lanre Oluseye stands at the forefront of innovation, leadership, and social reform, championing excellence and sustainable growth within Nigeria and beyond.

EFETOBORE UMIAGHWA - GENERAL MANAGER

Efetobore Umiaghwa is a dedicated professional with a strong academic foundation in oil and gas engineering, having graduated from All Nations University, Ghana. With six years of extensive experience in the Energy sector, Efetobore has developed vast knowledge and expertise in the industry. She is pursuing her Master of Science (MSc) in Oil and Gas and Energy Management from Port-Harcourt Business School, further enhancing her skills and capabilities.

OTU JACOBS - ENGINEERING/FABRICATIONS

Otu Jacobs holds a Higher National Diploma in Welding and Fabrication Engineering Technology from the Petroleum Training Institute, Effurun, Delta State, and is certified as a Professional Scrum Master (PSM) and Project Management Professional (PMP). With over a decade of experience, including 7 years in the oil and gas industry, he brings knowledge and expertise to every project he undertakes.

OLUWATOBI IYANDA - BUSINESS DEVELOPMENT MANAGER

Oluwatobi Iyanda holds a Bachelor of Agriculture (B.Agric) in Horticulture from the Federal University of Agriculture, Abeokuta. She has extensive experience in business development across various sectors and has been a Business Development Manager in the oil and gas sector for seven years. To enhance her expertise, she has undergone specialized training and obtained certifications in business development, equipping her with advanced skills in market analysis, strategic planning, client relationship management, and project management.

PROMISE UDOH - HEAD OF OPERATIONS

Promise Udoh is a skilled civil engineer with a Higher National Diploma in Civil Engineering and five years of extensive experience in the oil and gas sector. His strong technical expertise and operational oversight skills ensure the successful execution of projects with precision and excellence. Promise's dedication and attention to detail make him a vital asset to any team.

CHINWE WILCOX - ACCOUNTANT

Chinwe Wilcox is an accomplished accounting professional with a robust academic foundation. She holds a Bachelor of Science (BSc) degree in Accounting from Michael Okpara University of Agriculture, Umudike, and a Master of Science (MSc) degree in Accounting from Rivers State University. With over 10 years of advancing experience across various functions in the financial services sector, Chinwe has developed a keen expertise in accounting and finance.

CORE VALUES

Sustainability

We prioritize environmentally friendly practices to ensure a greener future for all.

Innovation

Cutting-edge technology and solutions that drive efficiency and growth.

Global Reach

Delivering energy solutions to diverse markets across the globe.

Expert Team

A team of seasoned professionals committed to excellence and innovation.

Safety First

Adhering to the highest safety standards in all our operations.

Eco-Friendly

Dedicated to reducing our environmental footprint and promoting sustainability.

OUR MISSION

We are dedicated to driving positive change by investing in clean energy, fostering innovation, and creating value for our stakeholders while protecting the planet.

OUR VISION

To become a global leader in delivering sustainable and innovative energy solutions that empower communities and businesses for a brighter future.
